

Southern Gardens Lawn and Landscape can beautify your lawn with our quality lawn maintenance programs and experience and give your property great curb appeal. We have lawn maintenance programs designed for both residential and commercial lawns.

We work to make your landscape healthy without harming you, your family or your pets. Our goal is to give residential homeowners a dependable, affordable, top-notch choice for their lawn maintenance and landscape maintenance services.

Our goal is to help you achieve the best lawn maintenance possible. We know that our combination of personal attention, a complete program and quality products will give you a thicker, greener lawn. We offer a wide variety of lawn maintenance services to our clients from lawn mowing to landscape installation.

*We are individually owned, operated
and based in Mesquite Texas.*

*Our Goal is to take care of your place
just like it was ours.*
